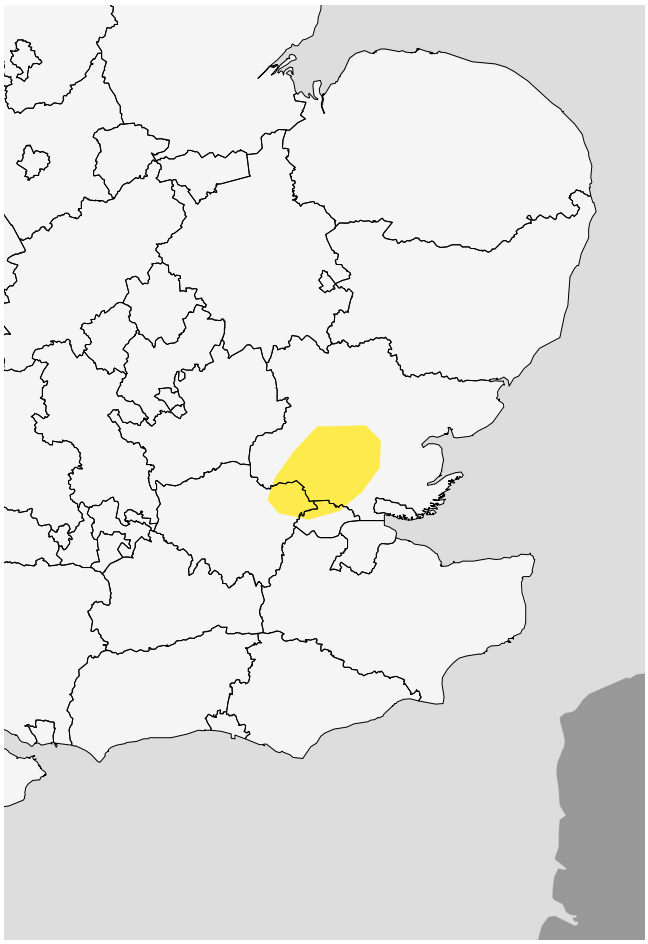
Yellow warning
Thunderstorm

Between
20:37 Fri 25 Jun 2021 and
23:00 Fri 25 Jun 2021



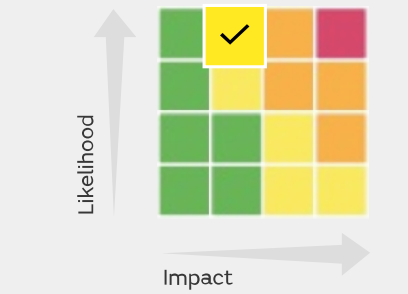
Slow-moving thunderstorms will lead to some flooding and travel disruption this evening.

What to expect

- Some flooding of a few homes and businesses, leading to some damage to buildings or structures
- Some damage to a few buildings and structures from lightning strikes is possible
- Driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services
- Some short term loss of power and other services

Further details

Slow-moving thunderstorms are producing very heavy rain, lightning and hail across northeast Greater London, south Essex and far north Kent. Whilst heavy rainfall is quite localised, some places may see 30-40 mm of rainfall in an hour with hail and lightning additional hazards. This thunderstorm is expected to weaken later this evening.



High likelihood of low impacts
